

STAFF REPORT

**CITY COUNCIL
April 26, 2005**

To: Mayor and City Council
From: George J. Rodericks, City Manager
Originated By: Warren W. Repke, City Engineer
SUBJECT: STREET MAINTENANCE PROJECT (FY 2004-05)

BACKGROUND

As part of the annual street maintenance program, City Staff prepared project plans and specifications for the slurry sealing and asphalt overlays of various streets for Fiscal Year 2004-05. A map of the proposed streets is attached.

Authorization to advertise the project for construction bids was received from the City Council at its February 22nd, 2005 meeting. In addition to the slurry sealing and asphalt overlay of various streets, the project also includes some pavement repair, curb and gutter repair and restriping.

FINDINGS

Construction bids for the project were opened on April 14, 2005. A total of six bids were received as follows:

All American Asphalt	\$ 301,300
Hardy & Harper	\$ 316,917
Ben's Asphalt	\$ 325,400
R.J. Noble	\$ 335,788
Alliance Street Works	\$ 336,760
Palp DBA Excel Paving	\$ 364,780

A complete abstract of the bids received is attached.

The Engineer's Estimate for the project was \$ 295,250.

After review and evaluation of the bids, Staff has determined the lowest responsible and responsive bid was received from All American Asphalt in the amount of \$301,300.00.

FISCAL IMPACT

Project funding is available from the FY 2004-05 street patching, street sealing and pavement rehabilitation accounts.

RECOMMENDATION

The following is recommended:

Award of the construction contract to All American Asphalt in the amount of \$301,300.00 and authorize the Mayor to execute the Contract Agreement.

APPROVAL MOTION

Award a construction contract to All American Asphalt in the amount of \$301,300.00 for the 2004-05 FY Street Maintenance Program and authorize the Mayor to execute the contract agreement.
