

STAFF REPORTS**CITY COUNCIL
April 23, 2002**

To: Mayor and City Council

From: George J. Rodericks, City Manager

Originated By: Warren W. Repke, City Engineer

SUBJECT: Cooperative Agreement - City of Orange
Wanda Road Rehabilitation Project

BACKGROUND

In February 2000 the City of Orange submitted Wanda Road from Villa Park Road to Santiago Boulevard for Federal funding consideration under the OCTA Arterial Highway Rehabilitation Program (AHRP). The City of Villa Park was requested at that time and agreed to participate in the project for that portion of the roadway within the City. The City of Orange was proposed to be the lead agency. A 60%/40% Federal match ratio was proposed.

The project consists of reconstruction of the failed areas of pavement followed by an asphalt concrete overlay, replacement of traffic signal loops and restriping. Damaged sidewalk, curb and gutter will also be replaced. OCTA granted funding for the project with design completion scheduled for Fiscal Year 2001-02 and construction for Fiscal Year 2002-03.

FINDINGS

The City of Orange has completed the project design and is preparing the project for construction bid advertisement. The construction plans, specifications and cost estimate have been reviewed by City staff and staff is working with the City of Orange staff to finalize the details.

A cooperative agreement was prepared by the City of Orange to implement the project. The agreement has been reviewed by City staff. Due to the City of Orange being the lead agency, a Resolution designating those portions of Wanda Road within the project area as a City of Orange roadway is required for the purpose of constructing the improvements.

FISCAL IMPACT

The total project cost has been estimated at \$412,000.00 including construction and construction administration/inspection. The total cost within the City of Villa Park is estimated at \$178,000.00 with the 60% City share being \$107,000.00. The funds are being budgeted in Fiscal Year 2002-03.

RECOMMENDATION

It is recommended that the City Council:

1. Approve the Cooperative Agreement with the City of Orange for the improvement of Wanda Road from Villa Park Road to Santiago Boulevard and authorize the Mayor to execute the Agreement.
2. Approve Resolution No. 2002-2594 designating those portions of Wanda Road within the project limits as a City of Orange roadway for the purpose of constructing the improvements.
