

STAFF REPORT

**CITY COUNCIL
February 24, 2004**

To: Mayor and City Council
From: George J. Rodericks, City Manager
Originated By: Warren Repke, City Engineer
SUBJECT: Sanitary Sewer Master Plan

BACKGROUND

In 2001, the City began a process to evaluate our sanitary sewer system. A total of three grants from the Orange County Sanitation District Cooperative Projects Program assisted the City in completing the system evaluation.

FINDINGS

The evaluation of the system has been completed by our consultant, Norris-Repke, and a Master Plan of Sewer Report prepared. A PowerPoint presentation will be made on the study process and results.

FISCAL IMPACT

Substantial funding will be required to address various system deficiencies over the next 7-10 years.

RECOMMENDATION

Receive and accept the report as a guidance document to be used in the development of sewer system improvements.
