FISCAL IMPACT

Estimated fund balance at the end of the current fiscal year is \$4,571.00 after repayment of \$4,400.00 to the General Fund authorized last year. An annual assessment of \$15,200 is required to cover operating costs and the annual major maintenance and replacement needs based on the Five-Year improvement Program. This equates to \$950.00 per parcel and should remain fairly constant over the next five years.
