

Opportunities

- Widening of arterials will encourage through traffic to utilize roadways along the perimeter of the City rather than driving through residential neighborhoods.
- The possible extension of Wanda Road south of Collins Avenue by the City of Orange would improve north/south traffic flow.

GOALS AND OBJECTIVES

Goals

- To work with and cooperate with officials and agencies in surrounding communities toward regional growth management.
- To manage any growth within the City of Villa Park in such a manner so as not to adversely affect transportation facilities and other public facilities within the City or surrounding communities.

Objectives

- Minimize the impacts of growth, both within the City and within the region on the citizens and facilities of Villa Park.

IMPLEMENTATION PROGRAM

Policies

- Continue working cooperatively with surrounding jurisdictions.
- Level of Service (LOS) "D" is the target standard for intersections under sole control of the City of Villa Park. To achieve this, it is the policy of the City of Villa Park that within
