

TABLE OF CONTENTS

Section	Page
I. Introduction	
Contents of the General Plan.....	I-1
Current Villa Park General Plan.....	I-2
Background	
Villa Park’s Rural Heritage.....	I-2
Community Character and Identity.....	I-3
Description of Population.....	I-3
II. Land Use Element	
Introduction and Background	
Land Use Legislation.....	II-1
Purpose and Function.....	II-1
Relationship to Other General Plan Elements.....	II-1
Inventory of Existing Conditions	
Sphere of Influence.....	II-2
Adjoining Areas.....	II-2
Land Use and Zoning Patterns.....	II-2
Non-Residential Development.....	II-6
Infrastructure and Municipal Services.....	II-6
Issues and Opportunities	
Issues.....	II-8
Opportunities.....	II-8
Goals, Policies and Programs	
Land Use Goal #1.....	II-9
Land Use Goal #2.....	II-10
Land Use Goal #3.....	II-11
III. Circulation Element	
Introduction	
Purpose and Function.....	III-1
Inventory of Existing Conditions	
Street and Highway System.....	III-2
Future Traffic Demand.....	III-7
Vehicular Improvements.....	III-9
Non-Motorized Transportation.....	III-11
Truck Routes.....	III-11
Transit Service.....	III-13
Railroads.....	III-13
Airports.....	III-13
Goals, Policies and Programs	
Circulation Goal #1.....	III-14
Circulation Goal #2.....	III-15

IV. Housing Element

V. Open Space/Conservation Element

Introduction and Background	
Purpose and Function.....	V-1
Relationship to Other General Plan Elements.....	V-1
Inventory of Existing Conditions	
Open Space.....	V-1
Conservation.....	V-2
Issues and Opportunities	
Issues.....	V-5
Opportunities.....	V-5
Goals, Policies and Programs	
Open Space Conservation Goal #1.....	V-7
Open Space Conservation Goal #2.....	V-7
Open Space Conservation Goal #3.....	V-8

VI. Seismic and Safety Element

Introduction and Background	
General Plan Legislation.....	VI-1
Purpose and Function.....	VI-1
Relationship to Other General Plan Elements.....	VI-1
Inventory of Existing Conditions	
Geologic and Seismic Hazards.....	VI-2
Slope Stability.....	VI-3
Erosion.....	VI-3
Flooding.....	VI-4
Fire Hazards.....	VI-4
Dam/Reservoir Inundation.....	VI-5
Hazardous Materials.....	VI-5
Aircraft Traffic.....	VI-5
The Community Emergency Response Team.....	VI-6
Issues and Opportunities	
Issues.....	VI-6
Opportunities.....	VI-6
Goals, Policies and Programs	
Seismic and Safety Goal #1.....	VI-8
Seismic and Safety Goal #2.....	VI-8
Seismic and Safety Goal #3.....	VI-9
Seismic and Safety Goal #4.....	VI-9
Seismic and Safety Goal #5.....	VI-10
Seismic and Safety Goal #6.....	VI-10
Seismic and Safety Goal #7.....	VI-10
Seismic and Safety Goal #8.....	VI-11

VII. Noise Element

Introduction and Background	
General Plan Legislation.....	VII-1
Purpose and Function.....	VII-1
Perceived Noise Levels.....	VII-2
Measured and Forecast Noise Levels.....	VII-2
Issues, Opportunities and Objectives	
Issues.....	VII-6
Opportunities.....	VII-6
Objectives.....	VII-6
Goals, Policies and Programs	
Noise Goal #1.....	VII-7

VIII. Growth Management Element

Introduction and Background	
General Plan Legislation.....	VIII-1
Purpose and Function.....	VIII-1
Relationship to Other General Plan Elements.....	VIII-1
Issues and Opportunities	
Issues.....	VIII-2
Opportunities.....	VIII-2
Objective.....	VIII-3
Goals, Policies and Programs	
Growth Management #1.....	VIII-4
Growth Management #2.....	VIII-4

Glossary	G1-G-5
-----------------	--------

LIST OF EXHIBITS

Exhibit	Page
Regional Location Map	
Land Use Policy Map	II-3
Developable Vacant and Sub-Dividable Parcels	II-5
	IV-
Existing Roadway Network and Classifications	III-3
2008 Average Daily Traffic Volumes	III-6
2030 Average Daily Traffic Volumes	III-8
Future Roadway Network and Classifications	III-10
Bikeway Master Plan	III-12
Recreational Trails and School Sites	V-3
Open Space Land	V-4
Existing Noise Contours	VII-3
2030 Noise Contours	VII-5
