

VILLA PARK HOLIDAY EVENTS ... NICE AND NAUTY

SANTA TOUR by FIRE ENGINE **SATURDAY, DECEMBER 7** **8:30 AM - 4:00 PM**

VP Council Members become Santa's special 'elves' as they ride with him in the E23 OCFA shiny red truck on his yearly excursion throughout the town. There will be many stops along the way for family photo opportunities and sharing wish lists with Santa. Cheers to VP Women's League for helping VPCSF provide Santa and his crew with holiday sweets to share. Check out www.vpcsfoundation.org for the Santa Tour Route/Schedule and then be nice and plan a street party in your neighborhood.

VP DRY LAND BOAT PARADE and HOLIDAY CELEBRATION **SUNDAY, DECEMBER 8** **5:00 PM - 8:00 PM**

Parade route info, plus boat entry and vendor forms are available for download at VP Events:
www.vpcsfoundation.org

The Villa Park asphalt harbor will be filled with "Yachts and Yachts of Holiday Fun" as the annual procession of wheeled vessels sets sail for the VP Towne Centre celebration with many happy campers waving to them from neighborhood shorelines. Great food, and fun and/or funky vendors, plus musical entertainment await everyone in the Centre, as do special trophies for many unique crafts. Why knot seize the opportunity to decorate and enter your truck, trailer, ski boat, homemade submarine or jazzy yacht full of friends or kids in this wacky entourage. The 2013 Grand Marshal will be surprised at the November 19th VP City Council Meeting.
