Carrie Hummel presented option to her group regarding a 50/50 split of costs on crossing guard. It was defeated unanimously because of the concern over annual commitment. They current Board did not want to commit future Boards. Many priorities and less incoming money is a factor. They have had drop off in fund raising revenues. They reviewed what their funds go to and it would require 25% of the funds for a crossing guard. There was a general discussion on this issue. Carrie Hummel will conduct a similar traffic review for the catwalk area to see where the higher need is and will report at the next meeting.
