\_\_\_ Per California Vehicle Code: loads in excess of any of the following limits are considered to be oversized or overweight loads and requires a permit be issued by the City of Villa Park on City streets. Loads in excess of 14 feet in height, 11 feet in width, or 75 feet in length require the use of a pilot car.

- Height:** 14 feet, except as specified in CVC
- Length:** 40 feet, except as specified in CVC
- Width:** 102 inches (8-1/2 feet)
- Weight:** Per CVC weight limits for that vehicle

\_\_\_ Hours: Normal hours for transporting loads shall not occur between 5:00 am to 9:00 am and 4:00 pm to 7:00 pm. Normal hours shall be 9:00 am to 4:00 pm. Loads of unusual sizes may be restricted to night hours, between 10:00 pm to 4:00 am.

\_\_\_ Routes: Permits will be issued to move on specific routes only. Blank permits for un-described routes and routes described as: "Approved truck routes and the shortest direct route to or from the drop-off or pick-up point", will not be issued.

\_\_\_ Permit Fee: A non-refundable permit fee of \$16.00 per day shall be paid by the permittee for each day that activity is conducted.

The equipment and manner of securing load must comply with the California Vehicle Code. This permit is to be strictly construed and no move other than that specifically mentioned below is authorized. This permit shall be kept in the vehicle (s) to be moved and shall be displayed to any authorized City of Villa Park official or any Peace Officer. This Permit is null and void unless approved below by the City Engineer or his/her authorized representative.

SPECIAL PROVISIONS: By acceptance of this permit the permit holder agrees to hold harmless all officers and employees of the City of Villa Park and be responsible for all damages to public and private property caused by the move described herein.
