The Action Plan

The Villa Park City Council invites Towne Centre property owners, merchants, and shoppers to work together to envision a better Towne Centre. The City is committed to working with and supporting our owners and merchants so we can give Towne Centre an updated look. A revitalized center would provide better access and amenities for shopping, dining, and just meeting up with neighbors.

This planning process won't work without you! For more information regarding the Towne Centre Opportunity Study, or to find out more about these community workshops, please call City Hall at 714-998-1500. We hope to see you at each of these important planning sessions.
